EXTERIOR APPEARANCES MATTER:

The summer growing season is here and we want to remind everyone that appearances matter. Please make sure your yard is properly mowed and weeds are under control. Trash cans and lawn refuse bags must be kept out of sight except on trash pick up day. Sump pump and downspout discharge must be managed so that water stays on your site or goes to a storm drain. Trash cans should be placed at the curb NO EARLIER than 6:00 pm on the day prior to pickup, and removed the evening of the day picked up. A \$50 fine may be assessed for infractions. Please see "BCRA Exterior Appearance Guidelines" for more information on the front page of the website:

www.bloomfieldclub.org

POOL REMINDERS!!

All residents 14 years of age and older **MUST** sign the Pool Affidavit **PRIOR** to being allowed to use the Outdoor Pool this season. You only need to sign the form once, and it will be kept on file. Guests, however, will be required to sign the form **EVERY** time they visit the pool.

Residents under 14 years of age **MUST ALWAYS** be accompanied by an adult at least 18 years of age.

Pool closing will only be announced on the website under the "*Announcements*" section on the front page of the site. Please check there if opening/closing is in question, or call the Clubhouse.

**ENTRY WILL NOT BE PERMITTED
WITHOUT AN ID CARD!!!**

Pool hours are 10 am –8 pm daily.

Neighborhood Reminders:

With summer upon us, children are riding more and more E-Bikes, sometimes not safely. The Village passed an ordinance about E-bikes, which is attached. **PLEASE** educate your children about safety protocol, including not riding in the middle of the street, and being aware of vehicle traffic. Please use Caution

The Clubhouse dumpster is for Club use only. **PLEASE DO NOT THROW** trash, including your pet's litter bags into the dumpster corral. There have been several times when residents have just flung their refuse bags over the gates, and it has broken on top of the dumpster.

E-Bike Regulations Update

As the popularity of E-Bikes continues to grow, the Village Board has approved a modification to the Village Code to address their use and ensure public safety. The updated ordinance is designed to promote education and compliance, while emphasizing proper equipment and safe riding practices.

VILLAGE OF BLOOMINGDALE

E-BIKE UPDATE

Under Illinois State Law, E-Bikes are divided into three classes:

- **Class 1: Pedal-assist only, with a motor that stops helping when the bike reaches 20 mph.**
- **Class 2: Throttle-assisted, meaning the motor can propel the bike up to 20 mph without pedaling.**
- **Class 3: Pedal-assist only, like Class 1, but the motor continues to assist up to 28 mph. Riders of Class 3 bikes must be at least 16 years old and wear a helmet.**

All E-Bikes must have operable pedals and motors rated under 750 watts. Devices exceeding 750W, such as electric dirt bikes and similar motorized vehicles, are prohibited on public streets and sidewalks in Bloomington.

The ordinance requires that all E-Bikes be equipped with working lights and reflectors. Additionally, E-Bikes are **not permitted on sidewalks** within the Village.

This proactive measure by the Village Board reflects our commitment to encouraging responsible E-Bike use while protecting pedestrians and all roadway users.

Fresh Beginnings...New Adventures... Your Call...My Expertise

>> INTIMATE MARKET KNOWLEDGE

Over the last 30 years you may have seen me at the pool, on the tennis courts, in the workout room, in my gardens, walking my dog or out with my children. As an original homeowner in the Bloomfield Club, I have the ultimate advantage selling homes in the area because I know the real value of what our neighborhood has to offer.

>> EFFECTIVE MARKET STRATEGY

My diverse experience, perspective, insight and creative ideas help tell your home's unique story. I utilize a multi-dimensional approach, including professional photography, digital advertising, high quality print materials and global web exposure, to place your property in a position to achieve your goals and maximize your margin. I am not a volume producer. I am a margin maximizer.

>> PERSONALIZED SERVICE

When you are navigating the real estate market, you need someone who will listen to you, help you clarify your goals, and create a personalized real estate plan that will get you where you want to be. Thoughtful, attentive service and straight advice has been a cornerstone of helping my clients buy and sell homes since 2006.

"I'm a Realtor in California and I referred my Mom to Kathleen LaManna. I was assisting the sale of my elderly mom's home from out-of-state. I interviewed several realtors and decided Kathleen LaManna would be best suited for the job! It's a unique situation when you're working with seniors. Kathleen has terrific communication skills which facilitated to effectively sell the family home, gently communicating with my mom and effectively communicating with me being out-of-state. Kathleen went above and beyond to assist my elderly mom as she leaves the only area she's ever known for California. There's lots of considerations when you look at a senior selling and Kathleen really facilitated this process, helping me manage my mom's expectations effectively for a smooth transaction. I highly suggest anyone considering to list their home or buy to consider Kathleen LaManna! We're glad we did!"
