Fresh Beginnings...New Adventures... Your Call...My Expertise

» INTIMATE MARKET KNOWLEDGE

Over the last 30 years you may have seen me at the pool, on the tennis courts, in the workout room, in my gardens, walking my dog or out with my children. As an original homeowner in the Bloomfield Club, I have the ultimate advantage selling homes in the area because I know the real value of what our neighborhood has to offer.

» EFFECTIVE MARKET STRATEGY

My diverse experience, perspective, insight and creative ideas help tell your home's unique story. I utilize a multi-dimensional approach, including professional photography, digital advertising, high quality print materials and global web exposure, to place your property in a position to achieve your goals and maximize your margin. I am not a volume producer, I am a margin maximizer.

» PERSONALIZED SERVICE

When you are navigating the real estate market, you need someone who will listen to you, help you clarify your goals, and create a personalized real estate plan that will get you where you want to be. Thoughtful, attentive service and straight advice has been a cornerstone of helping my clients buy and sell homes since 2006.

"I'm a Realtor in California and I referred my Mom to Kathleen LaManna. I was assisting the sale of my elderly mom's home from out-of-state. I interviewed several realtors and decided Kathleen LaManna would be best suited for the job! It's a unique situation when you're working with seniors. Kathleen has terrific communication skills which facilitated to effectively sell the family home, gently communicating with my mom and effectively communicating with me being out-of-state. Kathleen went above and beyond to assist my elderly mom as she leaves the only area she's ever known for California. There's lots of considerations when you look at a senior selling and Kathleen really facilitated this process, helping me manage my mom's expectations effectively for a smooth transaction. I highly suggest anyone considering to list their home or buy to consider Kathleen LaManna! We're glad we did!!"
