NEW GUEST CARD RULES

The current By-Laws allow residents to “borrow” up to 6 Guest Passes from other residents for their use. At the July Board Meeting, the Board approved the availability of up to 12 total Guest Passes that could be issued daily by the Clubhouse attendant instead of “borrowed” passed. These Club Guest Passes will be issued on a first-come first-serve basis and are valid for only the day of issue. A resident may use his/her 2 Guest Passes and up to 6 Club Guest Passes to bring in a total of up to 8 guests. “Borrowed” passes may not be used at the same time as the Club Guest Passes. A log of passes will be kept.

CAFÉ CONCESSION STAND

There’s a change this season! Upon request, ice cream bars, ice cream sandwiches, cones and bottled water will be sold every day during pool hours. No other food products will be sold.

BE KIND TO YOUR TREES!

During this drought, your trees need a good soaking to help them weather the stress of heat and bugs. The best way to water the trees is to soak the base until there is runoff. Also, if you live near a cul de sac, please consider watering the plants there.

The emerald ash borer is extremely active. Check your ash trees for top damage and trunk sprouts. And have any infected trees removed as soon as possible. Prevention may be possible using insecticide regimens. Contact a lawn control company for further details.

REMINDERS - make sure you maintain the ambiance of our Association. All trash cans must be stored in the garage and items such as ladders, construction and lawn materials, cannot be visible from the street. Please pick up all newspapers on your driveway.

Please pick up after your dog and please do not throw dog waste bags in other Resident’s yards!!!
